THE CHARITY AUCTION

THE BLOSSOM CHARITY WHO ARE WE AND WHAT DO WE DO...

The blossom charity has helped over 1,700 people since it was launched in 2013. We support people going through personal difficulties and challenges, or those facing hardship for many reasons. We run a variety of programmes to help people to live their best lives.

We achieve this by focusing on topics such as improving confidence and problem solving, developing communication skills as well as stress and body management, and helping people to get a sense of purpose while learning new skills.

We help by offering free workshops, 1:1 coaching and style days as part of a specific programme or as a standalone. We work with people to understand their goals and tailor our support so that they are able to make long lasting changes. Our approach works!

Also, in partnership with The John Le Vay Cancer Centre in Ipswich and other organisations, we hold makeover days for deserving women undergoing or recovering from cancer treatment which helps boost their confidence and gives them a treat.

If you or someone you know would benefit from what we offer, please find out more on our website at theblossomcharity.co.uk. Then just complete an application form if you would like to explore how you can take steps forward to live your best life.

'FARMYARD TRAIL' TRAIL

After 6 years of bringing the sculpture art trail to Eye we are excited to expand this year to bring the FARMYARD TRAIL trail to both Eye and Harleston. Throughout the summer there will be 43 safari animals in place between the two towns.

Whether you like beach scenes, flowers and nature, fairy stories, bright colours, animals or music, there is something for everyone - our artists and makers have been wonderfully creative!

Please share your photo's of your favourite animals on social media with [#eyesculpturetrail](https://twitter.com/eyesculpturetrail), [#theblossomcharity](https://twitter.com/theblossomcharity) and [#Farmyardtrail](https://twitter.com/Farmyardtrail). A massive thank you to everyone who made it happen!
