BLOSSOMING, A WILDFLOWER TRAIL

Following the success of Blossom's much-loved sculpture trails, we're delighted to return this summer with something a little different. Eye Castle will be transformed by our Blossoming Wildflower Trail, a stunning display of 1,000 handcrafted metal flowers inspired by the beauty of wildflower meadows.

Visitors can enjoy a sea of colourful blooms alongside a family-friendly butterfly trail through the town of Eye. Each flower has been handcrafted in partnership with ex-offenders and a local prison workshop, making this a celebration of not just art and nature, but also rehabilitation, opportunity, and positive change within the community.

We encourage you to share your photos of your favourite sculptures on social media, and don't forget to tag us!

THE CHARITY AUCTION

THE BLOSSOM CHARITY WHO WE ARE AND WHAT WE DO

The blossom charity has helped over 1,700 people since it was launched in 2013. We support people going through personal difficulties and challenges, or those facing hardship for many reasons. We run a variety of programmes to help people to live their best lives.

We achieve this by focusing on topics such as improving confidence and problem solving, developing communication skills as well as stress and body management, and helping people to get a sense of purpose while learning new skills.

We help by offering free workshops, 1:1 coaching and style days as part of a specific programme or as a standalone. We work with people to understand their goals and tailor our support so that they are able to make long lasting changes. Our approach works!

In partnership with The John Le Vay Cancer Centre in Ipswich and other organisations, we also hold makeover days for women living with or being treated for cancer, which helps boost their confidence and gives them a treat.

If you or someone you know would benefit from what we offer, please find out more on our website at theblossomcharity.co.uk. Then just complete an application form if you would like to explore how you can take steps forward to live your best life.
